As Simple as **1-2-3** with **SCAN N' SHRED™**

Affordable, Professional & Simple

Unlike most scanning operations that like to complicate the process with unnecessary options and tricky pricing matrix's, we at Paper Cuts have decided to revolutionize the industry with **Scan N' Shred**.

Scan N' Shred features a simple all-inclusive 3 package menu that is designed to accommodate the majority of business and consumer projects.

Our scanning and imaging service provide active file, backup file and day forward solutions for scanning, indexing and archiving of your critical records.

Our services cover every stage of the process. Our **Scan N' Shred** service includes the pick-up, labor, scanning, indexing, cd's and ultimate shredding or return of your carton(s). All of our services are custom tailored to your individual needs while offering an optional menu of a la carte features.

No Competition!

Our competitors' per-page pricing matrix means that your final bill can be up to 50% higher than the initial estimate.

With **Scan N' Shred** you know your total price from the start. No Ands, No Buts!
